Sabbath School Lesson No. 5
August 2, 1969
Subject: "Follow After . . . Patience"
Memory Verse; "but thou O man of God, flee these things; and follow after righteousness, godliness, faith, love, patience, meekness." I Tim. 6:11
Lesson Outline: Phase 1. The need of patience. Q1. Because of the nearness of Christ's coming. Jas. 5:7,8. Q2. Patience makes us fruitful. Luke 8:15. Q3. In the lives of God's people. I Tim. 6:11. Heb. 10:36. Q4. Patience leads to perfection. James 1:2-4 Q5. To win in the Christian race. Heb. 12: 1,2. Phase 2 -- Aids in the Development of Patience. Q6. Self-control and full surrender to God. I Cor. 9:25-27. Q7. Spiritual growth, 2 Peter 1:5-7. Q8 Trials and tribulations. Rom. 5:3-5. Phase 3 Examples of Patience Q9. Moses. Num. 12: 3. Q10. The prophets and Job. James 5:10,11. Phase 4. Patience and the second coming. Q11. Distinguishing characteristics of the redeemed. Rev. 14:12 (first part) Q12. Pilgrims at last rewarded. Isa. 25:9. Note -- Patience is the quality of steadfast endurance, in confident expectation of some desired end -- despite difficult, discouraging and disappointing circumstances, and often suffering. SDA Bible Dictionary, on "Patience", page 818. The admonition to "follow after patience," was not given to a sinner, but to Timothy, a Man of God. If it was good for them, it must be good for us today, for we are living in an impatient age. These are days that try the souls of men. While world conditions seem to be beyond control, they should not discourage us, but rather inspire us to follow after patiences. To us God says, "Ye have need of patience, For yet a little while, and He that shall come will come, and will not tarry." Heb. 10:36,37. -
Patience, as the example of the prophets should prevent our discouragement. The example of their patience should likewise encourage us to be patient. A thought for meditation -- Waiting patiently helps us to know the will of God more perfectly. There are -- times when God says to us, "Be silent, be patient, and believe that your tears are not unnoticed."

Three Pound Tomato!

[illegible] don't need to go to Texas to see "the biggest" of anything! Right here in the town of Appomattox (Highland [illegible], to be exact) Ervin McCormick grew this tremendous [illegible] (glad as ounce or two) tomato. For an average [illegible] burger bun this "giant" would need to be sliced and then [illegible] into quarters. Mr. McCormick brought the tomato to [illegible] Times-Virginian office -- and then very generously [illegible] to leave it. Moral of the story -- "If you can't grow [illegible] this big, join the Times-Virginian staff and share the [illegible]" As Father Darkleaf says in his column, "Bring [illegible] 'ish" -- We'll not only talk about the big and unusual [illegible], we'll eat 'em, too and enjoy them. A hearty [illegible] of thanks to all the readers who stop in from time to [illegible] to show us unusual things.

Jaycee Joltings

By: Ronnie Lewis

The Official Board of the Appomattox County Jaycees met Monday evening and preparations were made for several new projects in addition to those already in process.
The solicitation of ads for "Jaycee Radio Day" is the Number One project this week and preliminary indications are that our local merchants are responding whole-heartedly as usual. This project is one of our best money making projects so anyone desiring to participate who has not been confronted, may contact any Jaycee member. The ads you purchase will be broadcast by your local Jaycee members on Radio Station WFLO in Farmville, Va. on August 24th. Be sure to tune in.
Our "Prayer In Public School" project is underway and all areas of the county are being canvassed. Be sure to read this petition and if you are in favor, sign it. Lets help get prayer back in our schools.
You young fellows age 8 thru 13, "Baseball Grand Slam" will be coming up sometime during early September so stay in shape. This project was very successfull last year and this year will be sponsored 100 per cent by your local Jaycees. Competition in running, hitting, and throwing will close this years baseball season with many boys receiving awards for their skills.
If you see a group of your local Jaycees standing alongside the highway Labor Day giving away coffee to passing motorists don't think they have "Flipped". This will be our new "Safty Stop" project, and is designed to assist weary holiday drivers as well as promote the sale of safty flares. There is a possibility that in the near future all automobiles will be required to have these flares so stop by the "Jaycee Safty Stop" Labor Day and pick up a package. The location for this Safty Stop will be announced at a later date.
A thought in closing: "Great opportunities come to those who make the most of small ones."
